PROGRAMME MONTH: JUNE

The Faculty of Agriculture is one of the three founding faculties of Universiti Pertanian Malaysia (now Universiti Putra Malaysia) in 1971. As a premier agricultural faculty in Malaysia, we are determined to be the centre of excellence in education, research, and professional services in tropical agriculture. In line with the national education system, the Faculty endeavours to produce experienced agriculturalists with entrepreneurial spirit who are able to undertake consultations as well as produce new and quality agricultural technologies through research and commercialization programmes.

The Putra Agriculture Summer Programme is a programme that caters to students of agriculture or agriculture enthusiasts. The programme aims to give participants insight into Malaysia's agricultural practices and the Malaysian lifestyle and culture.
