PROGRAMME MONTH: JUNE

Attending summer programmes like the VET summer programme allows students to experience life away from home, thus preparing them for when the time comes to leave for university. Furthermore, summer programmes enable participants to study a subject they may not have had the opportunity to take at home university, but which intrigues them and sparks new experience and knowledge.

Programme Offers

- ✓ Lectures regarding veterinary practices in Malaysia at the Faculty of Veterinary Medicine
- ✓ Academic visits to the National Zoo, Infoternak Farm, and Forest Research Institute Malaysia (FRIM)
- ✓ Volunteering events at the Endau Rompin National Park, Pahang.
