

## Putra Architectural Summer School 5.0: *Exploring the Splendour of Tropical Architecture by Faculty of Design and Architecture*

[www.frsb.upm.edu.my](http://www.frsb.upm.edu.my)

PROGRAMME MONTH: AUGUST

PASS is an acronym for Putra Architecture Summer School and an extensive 5-week programme designed to be a diverse academic and cultural learning experience in Malaysia, the heart of Southeast Asia. Activities are not only held in classrooms, but also include outdoor learning activities such as industrial and historical visits, community engagement and many others. Through this programme, participants will acquire key lifetime skills and attributes such as confidence, cooperation, communication, decision making, and other soft-skills.
