Title: Co-operation in student mobility

Dear Associate Professor,

1. I have the honour to confirm to you that in reference to the discussions on student mobility in respect of cooperation between the Guizhou University of Commerce and the Universiti Putra Malaysia on the possibility of developing cooperation on student mobility, the following matters have in principle been agreed to:-
 - (i) Cooperation in matters relating to student mobility that would contribute to the development and enhancement of university and management of academic programs.
2. I have the honour also to confirm that this Exchange of Letters shall not form a legally binding agreement between the Guizhou University of Commerce and the Universiti Putra Malaysia.
3. I understand that the parties will take this matter for both universities approval so that further discussion between the parties may take place when and as the university authority agrees and approves the said co-operation.

Thank you.

Yours faithfully,
